

Attitudes of Abraham Lincoln

Directions: Examine each of the nine placards. Each placard describes a different segment of society that influenced Abraham Lincoln or was influenced by Abraham Lincoln. Place notes into the appropriate spaces so that you can understand and explain what was going on around Abraham Lincoln as the United States approached the presidential election of 1860 and the Civil War.

Segment of Society(Group)	Group's attitude about Lincoln	Lincoln's attitudes about this group
Abolitionists		
Immigrants		
New England Industrialists and Merchants		

Attitudes of Abraham Lincoln
