

TASK CARD

Student Name: _____

Group: _____

Border State to Research: (Circle one assigned to your group.)

Missouri, Kentucky, Delaware, or Maryland

Use the information from the websites to collect the following information:

- 1. What are the major water ways in the state?**

- 2. What are the major modes of transportation in the state during the 1800's?
(e.g., number of railroads, water transportation, etc.)**

- 3. What resources (human, capital, or human) were available in the state?**

- 4. In the 1860's, the state provided what type of manufacturing?**

- 5. Analyze the information collected from the research. Why would this state
have been crucial to either the Union or the Confederacy?**

4th grade: Lesson 2
